About Swisslog

Swisslog is a global provider of integrated logistics solutions for warehouses, distribution centers and hospitals. Its comprehensive services portfolio ranges from building complex warehouses and distribution centers to implementing Swisslog's own software and technology to intra-company logistics solutions for hospitals.

Swisslog's solutions optimize customers' production, logistics and distribution processes in order to increase flexibility, responsiveness and quality of service while minimizing logistics costs. With years of experience in the development and implementation of integrated logistics solutions, Swisslog provides the expertise that customers in more than 50 countries around the world rely on.

Headquartered in Buchs/Aarau, Switzerland, Swisslog currently employs over 2 000 staff in 20 countries worldwide. The group's parent company, Swisslog Holding AG, is listed on the SIX Swiss Exchange (security number: 1232462, Telekurs: SLOG, Reuters: SLOG.S).

Swisslog refers to an order as a "major order" if its financial volume exceeds the threshold of MCHF 20.
