Join the Quest for the UnCarousel at the ASHP 2008 Summer Meeting and Exhibition

Denver, COLO – Swisslog will highlight BoxPicker, also known as the UnCarousel, at the ASHP 2008 Summer Meeting and Exhibition June 8-11 at the Washington State Convention & Trade Center in Seattle, WA. Visitors to Swisslog Booth #805 will have a chance to learn about BoxPicker, receive a complimentary USB drive and enter the *Quest for the UnCarousel*, for the chance to win an iPod Nano.

BoxPicker is modular, expandable automated pharmacy storage, retrieval and dispensing solution. It is an effective alternative to traditional carousels, proven to pick more transactions per minute and provide secure access to only one bin at a time, reducing the potential for errors. Highly adaptable, the BoxPicker is ideal for all pharmacy types, able to increase efficiency in centralized, decentralized and hybrid pharmacies. For more information, visit www.swisslog.com.
