

# Healthcare Solutions Customer Support North America Training Schedule 2008

## North America Training Center Program

Five-day classes are held regularly at our Denver Corporate Training Center. A large part of the program is devoted to hands-on experience where actual equipment is examined and serviced.

Our training program is very valuable in enhancing the skills of a system's maintenance personnel to ensure the long-term performance of the system, quickly resolve user errors, minimize any costs associated with service calls and prevent down-time.

Class	Start Date	End Date	Notes
TL 2000 Series	01/07/08	01/11/08	Closed
Matrix	01/21/08	01/25/08	Closed
TL 2000 Series	03/03/08	03/07/08	Closed
Matrix	03/17/08	03/21/08	Closed
Express	03/31/08	04/04/08	Closed
TL 2000 Series	04/07/08	04/11/08	Closed
